

# Social Networking

Hosted by:  
**Northeast Counterdrug Training Center**  
Co-Sponsored with **The Evansville Police Department**

**16 LETB Hours**

There is a strong emphasis on the technology skills needed to conduct narcotics investigations. Those skills include tracking online communication and using online social networking portals (Snapchat, Facebook, Twitter, etc.) as investigative and analytical tools. Beginner and experienced students will identify information available on various sites and explore the currently overlooked and underused value of integrating that information into criminal investigations and criminal intelligence analysis.
