

## ENHANCED MOBILE FIELD FORCE INSTRUCTOR TRAINING

### CROWD MANAGEMENT AND MOBILE FIELD FORCE

Featuring a proliferation of small- to large-scale riots, the Safariland Training Group's Crowd Management and Mobile Field Force course meets the needs of agencies that are tasked with crowd control. With classroom and practical application, this five-day course is for everyone from the patrolman to the supervisor, covering all aspects of dealing with situations from an orderly protest to a large-scale riot.

### COURSE OVERVIEW

The course includes both classroom lecture and hands-on application. The course covers planning, preparedness, staging and deployment of a crowd management force, with an emphasis on modern mobile field force and chemical agent deployment tactics, including some drills with inert less lethal munitions. Students will learn not only state-of-the-art deployment tactics but instructional techniques, as well. Throughout the course, real-world incidents will be reviewed and students will determine what went well and what didn't.

#### Topics covered in this course include:

- History of Riot/Protest Behavior
